

An Exciting New Partnership with HealthJoy!

Our Partnership

HealthJoy is so excited to be launching a partnership with Evolution Healthcare. Through this partnership, all Evolution clients will have access to HealthJoy. *Coming Soon!* Our partnership will include a precertification, claims, and case management integration that allows HealthJoy to proactively steer members to the right care, at the right time.

What is HealthJoy?

HealthJoy's mobile application creates an intuitive, connected healthcare experience that takes the confusion and complexity out of healthcare by connecting members with the right benefits at the right moment in their care journey.

The mobile platform and human concierge team bring all of their Embedded partner benefits together to surface the best providers, virtual care, and savings. HealthJoy lowers healthcare costs, reduces HR burden, maximizes engagement and improves employee wellbeing. A breakdown of features and services are included below.

Embedded Navigation Features

Healthcare Navigation

- Benefits Wallet
- Healthcare Concierge
- Rx Savings
- Appointment Booking
- Provider Recommendations
- Broadcaster

Virtual MSK Care

Employees who struggle with chronic MSK pain will have access to convenient, effective, and inexpensive MSK care right from the HealthJoy app!

Coming Soon! Data-Driven Member Engagement

- Proactive provider and facility steerage
- Claims-driven benefits program recommendations
- Clinical Coaching and Case Management

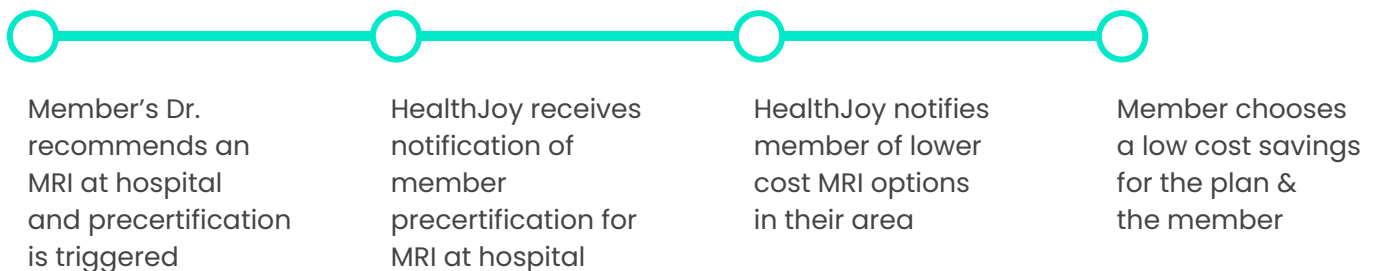

*The data HealthJoy receives is dependent upon the contract between the TPA and HealthJoy

How Does Data-Driven Member Engagement Work? (Coming Soon)

This partnership includes an integration between Evolution Healthcare and HealthJoy. This integration includes data feeds from the TPA to HealthJoy that allows HealthJoy to proactively engage members at the time of a healthcare need.

This enhancement to the traditional HealthJoy experience allows HealthJoy to do 100% of the work for the member, proactively reaching out to recommend low-cost, high-quality care. An example of this is included below.

Member Care Journey Example

Why We Partner

HealthJoy seeks partners that are forward-thinking and equally committed to our mission of simplifying the healthcare and benefits experience for every member. We believe that these partnerships take us one-step closer to meeting that mission through proactive steerage for members when they need it most.

The Value of Our Partnership

Partnering enables HealthJoy to reach out to members in a timely manner with individualized, proactive steerage to quality, convenient, cost-effective care.

Through this partnership we are able to accomplish:

- Significant cost savings for the **member** and **employer**
- Better benefits utilization and benefits satisfaction amongst **members**
- Better and more convenient access to care for **members**
- Improved health and wellbeing for **members**
