Establish a Mail Order Profile

Having your maintenance medication(s) filled through ProAct's mail order pharmacy is a convenient way to manage and receive your prescriptions, could lower your out-of-pocket costs, and gives you 24/7 access to customer service representatives.

Manage My Prescriptions

View the status of current medications and submit a refill request.

Order History

Easily check the delivery status of your medication(s) and view previously ordered medication(s).

My Addresses

View and manage your home delivery options along with any alternate addresses you may have.

Payment Methods

It is important that you provide a method of payment for your profile. You have the option of adding or deleting credit cards on file.

Auto-Refill Settings

View and manage any prescriptions that you have enrolled in the Auto-Refill Program.

Notification Methods

You may elect to receive notifications on the status of your medication shipment through email or text. Message and data rates may apply.
