

YES, IT'S FREE and EASY!

WOULD YOU LIKE TO:

Receive a 90-day supply of your medication delivered to your door on a continuous basis?

Your employer has added a great new benefit from PriceMDs to save you money on your specialty medication.

SCAN HERE!

THIS IS HOW

Simply point your phone camera on this QR code and follow the link to a very short video!

EASY TO START!

 A PriceMDs RN will call and guide you through the easy process.

You or a family member are eligible for this benefit. You will receive the exact same medication and keep your existing treating physician. This benefit waives your out-of-pocket expenses. You will be assigned a dedicated PriceMDs RN that will coordinate all your refills. Eliminates the hassles or monthly refills.

DEDICATED NURSE

Your own personal U.S. licensed and trained Registered Nurse

FDA Approved

All medications are FDA approved and brand name only from exact same manufacturers as in the US with mandatory FDA worksheet that documents chain of custody.

NO Pre-Auth

No monthly pre-authorization or paperwork to determine eligibility. Your personal RN nurse navigator takes care of all paperwork for you.

FOUR MILLION

Annual imports of medication for personal use by U.S. patients

Second Opinion

This is a second opinion program with an international, US Boarded & Licensed MD & a US Boarded MD that is Licensed in the patient's state.

NO Obligation

You may return back to your usual method of refilling your prescription meds at any time if you are not satisfied with this program.
