

42%

Did you know that **42% of Americans** are confused by their medical bills?*

Medical expenses can be overwhelming and confusing. If you get multiple bills from various providers, it can be hard to manage and track your medical expenses.

Simplicity can help. When you activate Simplicity, you get a monthly statement with your obligations consolidated into one monthly payment! It's simple and convenient. Simplicity® offers a financial safety net you can count on when you need it most. And, you can earn SimpleRewardsSM.

How does it work?

Simplicity

- Simplicity pays your portion of your medical expenses on your behalf
- You receive one consolidated monthly bill
- You may pay in full or take advantage of 12-months interest-free payments

Activate your Simplicity benefit and experience:

Financial Protection - Take advantage of 12-months interest free

Advocacy - You get support and education from industry experts to help you navigate healthcare expenses

More Control - Be empowered to handle your healthcare expenses and control where your dollars are spent

Earn SimpleRewardsSM

Simplicity members will earn up to 5%* SimpleRewards credit toward their deductible and co-insurance which can be used in the next plan year when the account is kept in good standing.

*2% SimpleRewards for payments made by credit card. 5% for payments made via debit, check, HSA card or a bank account.
