

Better health starts here

Check In With Yourself

How many hours do you sleep at night? When did you last go to the dentist? Taking a health assessment can tell you how you're doing and what steps you can take to feel better. And it only takes a few minutes to complete.

A Picture of Your Health

Answering a few questions about your health and everyday habits gives you an instant report on what you're doing well and any areas for improvement.

- Find ways to improve your health
- Help prevent health problems before they occur
- Get helpful tips for living a healthier life

Ready to take your health assessment?
Log on to myEVHC.com and click the myHealthCenter tab.
